Company Profile

Diversified Site Works, LLC is a Sitework Contractor serving the greater Washington DC and Baltimore Metro areas. We strive to build relationships with owners, contractors, engineers, architects, commercial, residential, municipal, and government clientele. Our company's success is directly related to the relationships we build through trust, expertise, experience, budgeting, and delivering excellent service at a competitive price. We perform the majority of our work in-house and maintain a high level of quality control.

Diversified Site Works is committed to providing a safe and healthy workplace for our employees, subcontractors, and the general public. Our culture of safety and excellence is developed through regular training sessions and enrichment opportunities for all employees.
